

## Wedding Invitation Pricing

Hello!

So happy to have you. Congratulations on your engagement and wedding planning. Please note, Gina Marie Design is a boutique design studio and therefore caters to each clients individual needs as we know that there is no "one size fits all." We offer as little or as much as you need or want for your invitations.

First, choose from pre-designed options or custom designed.

### Pre-design

These are already designed.  
We will be placing your info in  
(names, date, time & place)  
Text color can usually be changed,  
but graphics are set.  
- Most Cost Effective  
-Quickest Turn Around Time  
PRICE: depends on what  
you choose below

### Custom Design

If you don't see anything you like  
from the pre-designed options, we  
can custom design to your taste.  
PRICE: your choice below  
PLUS Design fee.  
DESIGN FEE: starts at \$50.

Next, choose between download/print yourself, or GMD printed/assembled.

### Download/diy print

We will send you ready to print  
files for you to take to any  
print shop and print as many  
as you need. These cannot be used  
commercially or sold, must only be  
used for you.  
Just invite/ceremony card: \$7.77  
Invite + RSVP: \$8.88  
Invite, RSVP + Info card: \$9.99  
More items available  
(table cards, seating cards, etc.)

### A La Carte

Gina Marie Design will print your  
items. You can pick & choose what  
you want/need/like for your  
invitations! Really, the sky is the  
limit (or your budget is the limit)!  
Next page has the  
breakdowns of cost for this.

## A La Carte

Items are printed by our print vendor, then hand-cut, and hand assembled for any items which need assembling. Everything is done with enormous amounts of love and with high vibrations toward positivity and bliss for each couple. Because of the handmade nature of these items, there may be small blemishes but we take pride in only supplying our clients with beautiful pieces.

All items printed on your choice of glossy or matte white cover stock.  
 \*Specialty stock available for additional.
